

Interview Preparation

“He who is best prepared can best serve his moment of inspiration.”

Interviews mostly represent the final stage or the penultimate stage to get the opportunity you are vying for. Don't let yourself stumble due to nerves or ill preparation.

It is imperative that one wrong move doesn't cost you the opportunity of a life time. With Headsup, start the preparation with the right strategy and the right tools.

Our Process-

We will conduct a one on one session to grasp the strength, weakness, opportunities and threats. We will also get an in-depth understanding of what kind of interview is going to take place and in which format or type of interview will it be.

There can be following type of interview settings- Phone screening, Video/Skype, Face to Face and different type of interview format like resume based, behavioral, or technical.

We create a game plan on how to tackle upcoming interviews.

Our Services

- An exhaustive list of frequently asked questions to be provided- Every interview starts with a few generic questions for the interviewer to move on to more probing questions. To give the first best impression, a thorough preparation to answer to the best of one's ability
- Answers to be discussed and tailor made as per your profile
- Mock interviews for all formats of interviews like behavioral, technical, phone interview, psychometric and much more

There is no shortage of what can be done when we put your mind to it, let us walk you through the preparations of how to crack an interview without breaking any sweat.
